School Attendance Policy and Procedure

Attendance at school is compulsory. All absences should be explained by written note, dated and signed by the parent/guardian. If the child is likely to be absent for more than one week the school is to be advised as to the extent of the reason for the prolonged absence. Student's punctuality is expected, as late arrivals are treated as partial absence and also require a signed note from parent/caregiver.

8. Post school destinations (secondary schools only)

In 2012 Year 10 students went on to Year 11 at SMMC in 2013, as our first year offering Stage 6 courses.

9. **Enrolment policies and characteristics of the student body**

Enrolment Policy

As a private school with a Catholic ethos, Saint Mary MacKillop College Albury has an evangelising mission. A distinguishing feature of Catholic education is that it is open to all, especially to the poor and weakest in society. The School exists primarily to assist parents in their duty to instil the Catholic faith in their children.

Saint Mary MacKillop College Albury aims to provide a choice of schooling to all those seeking a Catholic education for their children. However, enrolment of a student into the school cannot be guaranteed.

Saint Mary MacKillop College Albury has a particular responsibility to welcome, accept and support those who are poor, marginalised and in most need. Our conviction is that no student will be refused enrolment or be disadvantaged because of an inability on the part of parents/guardians to meet financial requirements.

Description of the Student Population

In 2012 the Student Body was:

Boys: 42

Girls: 30

LOTE: 0

Total: 72.

Classes are mixed ability and gender with some separate gender classes for Maths.

For further details see the school's website: <http://www.myschool.edu.au>

10. **School policies**

Student Welfare

In accord with the principles of the Gospel and of the teachings of the Catholic Church, our school regards the safety of its students – not just physically and emotionally, but spiritually and morally – as integral to their full development as children of God and members of Christ's body.

Student Discipline

The College does not sanction the administering of corporal punishment by non-school persons, including parents, to enforce discipline at the school.

Saint Mary MacKillop College recognises that self-discipline is intrinsic to the Christian life, and that the true order willed for us by God can only be achieved when our lives are ruled by reason enlightened by Faith. To this end, we guide and assist our students to understand the meaning of true freedom and goodness and to strive for it individually and collectively.

Complaints And Grievances

The School aims to provide an environment for student and parents conducive to open and honest communication. It is our desire to facilitate an atmosphere of trust and co-operation.

Nonetheless, sometimes it is inevitable that conflicts arise. In order to prevent escalation the parties concerned are encouraged to approach the persons involved directly in order to resolve the problem informally, speedily and constructively on a low level.

A person is not to be disadvantaged or discriminated against in any way for filing a complaint. All complaints will be treated confidentially. All parties are expected to respect this. As a matter of principle, anonymously filed complaints will not be processed.

11. School determined improvement targets

The improvement of literacy outcomes for students identified as needing additional learning support.

Indicators of success in literacy outcomes for these students are gauged by NAPLAN literacy results and standardized tests.

The improvement of teaching expertise in individualised learning needs through teacher in-servicing was a goal of the school during 2012.

Teacher in-servicing was addressed according to each teacher's individual professional development needs.

12. Initiatives promoting respect and responsibility

The school promoted respect and responsibility amongst students by their participation in:

Regular visits to The Jindera Aged Care facility.

Students assigned specific duties for school garden.

Students assigned individual roles & responsibilities for the College and Parish fete.

Student presentations for regular whole school assemblies.

The Asterix production

Weekly School Mass.

ANZAC Day Commemoration Service.

Attendance at College Presentation Night.
